	Eligibility	<p>Review of all information before me, including client's previous employment and educational history. Client is requesting to study Post-Baccalaureate Diploma in [REDACTED] Management program at [REDACTED] U. Client obtained bach of science from 20[REDACTED] & master [REDACTED] from 201[REDACTED]. Employed as [REDACTED] at [REDACTED]. Educational docs presented reflect low to low average prior scholastic history, more specifically in core educational subjects relevant to the proposed programme of study in Canada which I have placed more weight on than elective subjects, low marks on master of arts. I am not satisfied that the applicant will be able to successfully complete the study program in Canada. Based on the above balance, I am not satisfied that this applicant is a bona fide student. Weighing the information on hand in this specific case, including local options for similar studies, the applicant has failed to establish that they are a bona fide temporary resident who will leave Canada following the completion of their studies pursuant to section R216 (1)(b) of IRPR.
